## Mom of Two's Tragic End

British model and TV personality **Peaches Geldof**, 25, was found dead in her Wrotham, England, home April 7. As friends and fans such as **Lorde**, **Ellie Goulding** and **Sharon Osbourne** mourned via Twitter, her father, musician **Bob Geldof**, 62, said in a statement: "We are beyond pain. She was the wildest, funniest, cleverest, wittiest and the most bonkers of all of us." Meanwhile, Kent police could only confirm the "unexplained and sudden death" of a 25-year-old woman and are working to establish the cause. Peaches — whose mother, Paula Yates, died of a drug overdose in 2000 — left behind a husband, rocker **Thomas Cohen**, and sons Astala, 2, and Phaedra, 11 months. "I shall bring them up with their mother in their hearts every day," Cohen said in a statement. "We shall love her forever."
